National Adult Day Services Week September 18-24, 2010

"Adult Day Services: Building and
Supporting Communities."

Bon Homie opened its doors in 1992 and has been fortunate to have grown in space, clients and staffing.

I would like to thank all of our caregivers for being so supportive of our service. Many of you tell friends and neighbors about our program and speak of it with such praise; your kind words and appreciation for Bon Homie means a great deal to us.

During this special week of recognition, we would like to identify those organizations that help support the services we offer. The guidance and referrals as well as financial support that they provide to our clients are key variables that help make our program so successful.

Agencies that help support our program are: Aging and Adult Service of Berks, Montgomery and Chester Counties, Department of Behavioral Health/Developmental Disabilities of Berks, Chester and Montgomery Counties, Liberty Resources, Veterans Administration, Nurse Quest and Transnet (Tri County Taxi and Valley Cab).

Thank you to all of the employees of these agencies. You're so supportive of our program and what we are trying to achieve. When we call you for answers you go out of your way to help us. We would not be able to operate without your support and guidance. Bravo to all of you!!!!

"Caught in the Act of Caring."

A few months ago we began a program called "Caught in the act of Caring". It is a program that encourages and recognizes staff that performs tasks that go above and beyond what is expected of them. Staff that we have already recognized since this program began is:

Christine

Aloma

Janice

Lorraine

We would like to involve the caregivers in this program and ask that if you see a staff member doing something that you feel deserves recognition please fill out an act in caring slip and submit it to our collection box. Every two weeks administration votes on those submissions and chooses a staff member that is deserving of the award. The Recipient receive a small monetary gift when they are recognized. After a staff member receives three recognitions they are entitled to receive another reward.

This program is designed to recognize staff that goes out of their way to make Bon Homie such a special place to work. If you have any questions on what you can submit to the recognition box please stop by the office and speak with me.
